# Year 10 Programs

**Skill Up! is a Micro Credentialling program for Year 10 students aimed at building confidence in their transition to Stage 6 learning while also helping them develop greater self-efficacy for their future decision-making.**

**The program has three distinct micro credentials:**

- **Academic Literacies**
- **Building resilience through positive habits**
- **Future pathways planning**

**Within each micro credential, there are three modules designed to be completed within a 50 minute lesson.**

**Available: Term 1 and 2**

**Cost: Nil**

**Gains: Students receive a digital badge for each micro credential**

## School Visits

**CUC CV is happy to come and speak with your students about pathways, University, study skills or a bespoke topic. Alternatively, you might like to organise a trip to our Centre to run an offsite program to suit your students' needs.**

## Medical Immersion Workshops

**CUC CV helps to facilitate the UoW Regional Training Hub, Graduate School of Medicine immersion programs. Currently medical students showcase hands on activities to students to boost their awareness of pathways in medicine.**
